**DIRECTOR'S REPORT**  
**October 8, 2014**

- *At 9:18 am September 23, 2014, an unknown library patron it looks like a woman on video backed a car into a pillar at the front of the building, and she left the scene of the accident. The police and the insurance company were subsequently notified, and I contacted Stasi Brothers the masonry company. Stasi sent a representative to evaluate the damage and promised to get back to me later that day with an estimate for repair, so far nobody has done that, and I have called Stasi twice since then. On October 6 and 7 I left messages.*
- *On October 6, 2014 the computers (50) were delivered and we are still waiting for the server to be delivered, I called the computer person Monday and Tuesday but so far have not gotten a call back.*
- *Nassau County Legislator Siela A. Bynoe sponsored a breast cancer screening and a blood drive at the library on October 7, 2014 from 9:00 am to 2:00 pm.*
- *I have enclosed three quotes for new venetian blinds.*
- *I also have enclosed three quotes for carpet repair in rooms 2 and 3 of the old side.*
- *Lastly I have enclosed three quotes for cabling for the whole library.*

*Respectfully submitted*  
*Ruby Boykins, Director*
