DIRECTOR'S REPORT
November 12, 2014

- *The Homework Help program is going well. Ms. Sheila Batson seems to be doing a good job dealing with all the children, who run the gamut from kindergarten to the sixth grade. She has a high school student volunteer who helps her two days a week.*
- *A check needs to be written for \$125.00 each to pay the three poll workers, as well as another \$60.00 to feed them, for our election night on December 2. They will be working from 4 p.m. to 10 p.m.*
- *Exterminex Pest Control, Inc. was called in on November 3, 2014 to set up traps on the second floor roof. During our monthly inspection, a skeleton and fur was laying under the HVAC unit. On November 5 a large raccoon was caught in the trap. A check for \$995.00 for Exterminex. The traps are check daily and there is a 3 month warranty.*
- *I see that next year we have a board meeting set for November 11, 2015 but that's Veterans Day, so I am recommending rescheduling the meeting for Tuesday, November 10, 2015.*
- *I will have our cleaning people, paint all areas that need to be refreshed.*
- *They will also put out all of the old furniture for special pick-up by Sanitation; special pick-up will accept all furniture and computers.*

Respectfully submitted
